Instructions for Set-up & Closure

(Picture 1)

(Picture 2)

(Picture 3)

Step 1) Fully open the bag by extending each side of the bag/liner, forming the shape of the bag, and squaring all four sides. (See *picture 1*)

Step 2) Pull the top closure flap out and around the outside of the container to make the interior cavity easily accessible. (See *picture 2*)

Step 3) Fill the container with material.

Step 4) Once filled, twist the liner 3 times clockwise, and close with the tie enclosed 8" from the top of the liner.

Step 5) Fold the top closure flap over the top of the bag, and secure with Velcro closure. (See *picture 3*)
